INTERGOVERNMENTAL NEGOTIATING COMMITTEE
FOR A FRAMEWORK CONVENTION ON CLIMATE CHANGE

INFORMATION REGARDING MEASURES CONSISTENT WITH THE PROVISIONS OF THE CONVENTION

Note by the interim secretariat

Information has hitherto been forwarded to the interim secretariat in accordance with paragraph 4 of General Assembly resolution 47/195 of 22 December 1992, in which the Assembly invited "signatories of the Convention to communicate to the head of the interim secretariat of the Convention, as soon as feasible, information regarding measures consistent with the provisions of the Convention, pending its entry into force" (see document A/AC.237/INF.12 and Add. 1 and 2).

The present revision contains a consolidation of the lists in that document, including new information provided to the interim secretariat at the tenth session of the Committee.

This document does not contain information on national communications submitted under Article 12 of the Convention. Such information is to be found in document A/AC.237/INF.16, which will be updated periodically.

As previously indicated, requests for copies of the documents listed below should be addressed to delegations directly.

Since paragraph 4 of General Assembly resolution 47/195 is no longer applicable, given that the Convention has now entered into force, no further listing of this nature will be issued.
